NEW Mono-Micro disposable cloths: effective cleaning and maximum hygiene

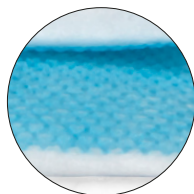

The Mono-Micro disposable washing pads with pockets ensure **optimal cleaning of all types of smooth interior floors** (hotels, offices, hospitals) ensuring a **high standard of hygiene**.

Can be used with the **new foldable mop holder** with Lock System, designed specifically for disposable cloths, **are also ideal for cleaning vertical surfaces**.

Available in microfiber and non woven fabric.

NON WOVEN FABRIC MONO-MICRO

- The **cleaning layer** with perforated weave ensures **low friction** and **good dirt collection**
- The **inner layer** ensures **high washing autonomy** thanks to the high absorbency

MICROFIBER MONO-MICRO

- The **cleaning layer** with perforated weave in 100% polypropylene ensures a high capacity for **removal of germs and bacteria**
- The **inner layer** easily absorbs and releases the product used, guaranteeing **high washing autonomy**

NEW Aluminum mop holders: practical, strong and versatile

The Velcro system frames made from metal stand out for their proven **light weight**, the **strength** to withstand frequent use, and their **stylish design**.

The trapezoidal shape means they **easily get into every corner** and all those other hard-to-reach areas for a thorough clean, while the flat, linear strips ensure **excellent floor contact**, and the plastic corner bumpers protect walls and furniture.

The frames are **compatible with all swivel joints** and can be used with **Velcro system refills** as well as **wipes** and **cloths**.

NEW New central upper baskets for Alpha trolleys

The new configurations make it possible to further customise the trolleys of the Alpha line, offering the **maximum versatility**: thanks to the practical central baskets, it is **possible to transport the equipment easily and safely**, organizing the available space according to specific needs.

The **different versions available** meet every need: the **grey cover** inhibits the view of what is in the basket while the **transparent cover** allows you to quickly see the contents.

Furthermore, it is possible to choose to close the storage area with **one or two covers**.

The covers are equipped with **locking system with removable key** to safely store working or personal tools and items.

NEW KeepHotel: the trolley for hotels

KeepHotel is a service trolley designed to make cleaning and preparing rooms in hotels, bed & breakfasts and holiday resorts **easier, faster and more discreet**.

Functional and refined with attention paid to the smallest of details, KeepHotel is the **ideal solution for managing accommodations facilities**.

- Thanks to the **plain and essential style** it can be perfectly integrated into the environment in which it is used.
- Its **compact size** allows the ease of movement and access.
- It is designed to offer **maximum practicality** in facilitating various cleaning and tidying operations.
- Spacious and equipped with **useful compartments and movable dividers** to better organize all the equipment.
- Hygienic thanks to the **internal lining that can be easily removed** to facilitate cleaning.
